

New Duplex

New Duplex is a cost-effective and highly functional range of desks procuring a wide array of solutions for the modern workspace. Traditional spaces are effortlessly optimised with multiple layout and configuration possibilities. A classical and universal styling that will respond effectively to every user's expectations.

"New Duplex is a practical range of office furniture, ideal for achieving conservative and robust workspaces."

PATRICE PLUMAIN Quality Coordinator

Fully operational

Aesthetically coordinated extension units and complementary furniture.

Workstations are all fitted with cable ports, facilitating efficient cable management. Height-adjustable legs allow the desks to adapt to the unique morphology of individual users.

Technical specifications

1 25 mm thick counterbalanced high-density particle board, covered in melamine, with 2 mm thick ABS edge banding.

2 2 ABS cable port in an aluminium grey finish, \varnothing 80 mm.

3 Metal 'L' shape legs with epoxy lacquer coating. Optional addition of clip-on housing panels of curved design. ABS end caps matching the leg finish.

4 Fixed leg version composed of a pressed sheet metal top plate, rectangular uprights in folded sheet metal with removable housing panels, oblong shaped tubular-section metal base fitted with adjustable stabilizer feet. Cables are channelled within the leg structure behind the removable panels, and exit through openings in the upper and lower extremities. Worktop height: 73.5 cm.

5 Height-adjustable legs feature 2 telescopic folded sheet metal housing panels.

6 Height-adjustable version composed of a pressed sheet metal top plate, rectangular uprights in folded sheet metal and formed by 2 rectangular metal columns (upper and lower) with removable metal housing panels, oblong shaped tubular-section metal base fitted with adjustable stabilizer feet. Cables are channelled within the leg structure behind the removable panels, and exit through openings in the upper and lower extremities. Worktop height: adjusts at 2 cm intervals from 62 to 86 cm.

7 Open-sided 'L' shaped beam made from folded 1.2 mm sheet metal. Designed to store and channel trailing sockets and cables, features a 75 mm deep gully and 4 openings of 45 mm each. Available in an aluminium grey or graphite grey epoxy powder finish.

8 Melamine counterbalanced modesty panel, 19 mm thick in finish matching the worktops. Height 30 cm. Matching strip of 2 mm thick ABS edge banding. Features 2 cable ports so that cables can be fed through from the legs to the worktop.

9 Optional metal cable trough designed to be fitted to the modesty panel on the user side (not available for configurations with supporting pedestal). Height 8 cm, depth 7 cm and comes in an aluminium grey finish.
